

Government of West Bengal

Memo 61-CS/2020

Dated 28/03/2020

**Order**

It has been informed that shops and establishments dealing with essential commodities are being forced to close much before closing hours. This is resulting in crowding at the stores leading to the violation of Social Distancing Norms. Hence, it is hereby directed that shops dealing with essential commodities including pharmacies **must remain open during normal hours of operation.**

Chief Secretary
